Fiscal Year 2019 Budget

Budget Message

Branson Landing Transportation Development District (the "District") was formed as a political subdivision of the State of Missouri on March 17, 2005 by virtue of an order entered by the Circuit Court of Taney County, Missouri.

Important Budget Features

The District's source of revenue is a Transportation Development District ("TDD") Sales Tax, a special purpose tax levied pursuant to the Missouri Transportation Development District Act, Sections 238.200 to 238.280 of the Missouri statutes.

The District has been formed for the purpose of funding and assisting in the funding of certain transportation improvements that were constructed in connection with the Branson Landing development project, and for the costs incurred in the administration and operation of the District. Half of all District Sales Tax Revenues generated are captured in the Special Allocation fund that has been created by the City of Branson for the Branson Landing Tax Increment Financing Plan. The District has agreed to contribute all remaining District Sales Tax Revenues to the City to pay for eligible District Project Costs that have been incurred by the City, and for costs incurred in the administration of the District.

Major Changes

Revenues continue to be impacted by the general economic conditions of the county, city and district.
