Morning Crash Closes One Lane of Shepherd of the Hills Expy

BRANSON, Mo — Branson road crews are shutting down one lane of Shepherd of the Hills Expressway after a driver hit the railing of a 25 foot retaining wall, Tuesday morning, in front of Victorian Village at 3044 Shepherd of the Hills Expressway.

Branson police say the damage was caused when the driver hit the gas instead of the break and hit the retaining wall. Crews are assessing the damage but are advising drivers the outside, westbound lane will be closed indefinitely for about 300 feet until repairs are made.

Drivers are urged to be careful in this area as traffic could be impacted near the area where the lane is closed.
