City to hold Town Hall Meeting on curbside recycling

The Branson Board of Aldermen will be conducting a Town Hall Meeting on a proposal to initiate curbside recycling for city residents. The meeting will be held **Monday, January 25, 6 p.m.** in the Council Chambers of Branson City Hall, 110 West Maddux.

One of the Strategic Goals and Focus of the mayor and Board of Aldermen in 2010 was to explore the viability of curbside recycling, and city officials want to hear all viewpoints concerning this environmentally-friendly program that would make it more convenient for residential recycling.

Following a brief presentation by city Environmental Specialist Mona Menezes, the meeting will be open for comments, questions and concerns. While citizens are encouraged to attend, city officials are also interested in the views and opinions of local trash haulers who would be impacted by curbside recycling.
